A Very  
Happy Diwali*

When it comes to LED lighting technology, there is no better alternative than HPL. The most elegant range of LEDs: low on power consumption, low on maintenance and high on customer satisfaction.

**FEATURES:**

- Solid state high brightness LEDs for good quality illumination and longer life.
- Excellent heat dissipation through high purity, high thermal conductivity heat sink
- Special reflector system with high efficiency Translucence diffuser.
- On board short circuit and surge protections for reliable electrical system
- Significantly lower running cost as compared to conventional fixtures.
- Elegantly designed housing for ensuring optimum light output with longer life.
