Guaranty:

The company undertakes to replace or repair at its discretion products, should they become defective solely as a result of faulty material workmanship for a) Electro-Mechanical wiring device products 10 years b) Mains related electronic wiring device products including neon modules up to 2 years c) Surface coated products for 1 year. The guarantee will be valid only if installation procedures / maintenance is carried out by qualified professional electrician. The Guarantee stands nullified if the product is tampered, dismantled or altered or if the original mounting boxes have not been used in conjunction with the accessories. The guarantee does not extend to cover consequential loss or damage or installation cost arising from the defective product.

Product development is a continuous process & hence the data / prices given are subject to change without prior notice. Disputes if any are subject to Delhi jurisdiction only. This price list supercedes all earlier ones.
